

## Recommendations

*"Matt was instrumental in helping me with a xeriscape garden for my backyard at a minimal cost. He provided excellent follow-up customer service."*

*Top qualities: Personable, Expert, High Integrity*

**Barbara O'Neill**

(hired Matt for a Landscape design in 2006)

*"Matt drew a wonderful xeriscape plan for our new Eco home. He incorporated everything that we were looking for, native plants, flowering plants, etc. Our home was featured in the 2006 and 2007 National Solar Parade of Homes. We received numerous compliments on our landscape design. We referred them all to Outdoor Design Group. Should you hire him? Yes."*

*Top qualities: Great Results, Personable, On Time*

**Chad Theis**

(hired Matt as a Landscape Architect in 2006, and hired Matt more than once)

*"Matt has been great to work with over the years. He's flexible about time and budget and works hard to provide clients beautiful work that exceeds their expectations. I will always call on Matt when I have a project or just simply need advice."*

*Top qualities: Expert, Good Value, Creative*

**Rebecca Alexis, Owner, HIVE Architecture**

(hired Matt as a Landscape Architect in 2005, and hired Matt more than once)

*"Matt is a board member with our local alumni association. His company produced very professional business cards and letterhead for us to promote our local club and to help us raise money for a scholarship fund. I highly recommend Matt, his work ethic, and the high quality of work he produces."*

**Chris Durso, Director of Homeowner Experience, Intrawest**

(worked directly with Matt at Outdoor Design Group, Inc.)

*"I have known Matt for many years, his ability for on-time results are second to none. He will make sure and go the extra mile to gain a detailed and complete understanding for any project that he may encounter."*

**Chris Joles**

(hired Matt as a Landscape Architect in 1997, and hired Matt more than once)

*"Matt creates thoughtful landscape designs using a wide variety of plants in his palette. He is detail oriented and skilled in all facets of landscape architecture, including irrigation, plant selection, grading, water features and xeric (low water) landscapes. I highly recommend Matt for your residential and commercial landscape architecture needs."*

**Mark Aumen, Sr. Associate, Norris Design**

(managed Matt indirectly at Norris Design)

*"Matt was always willing to think outside the box to solve any problems that occurred. He had no problems meeting any of our deadlines, was very easy to work with, and struck me as an honest hardworking individual. I would, and have, recommended Matt to any of my clients that are looking for a landscape designer."*
